Prices are guidelines as our authorized Distributors and Golf Retailers establish specific prices based on volume, decoration requirements and other factors.

# WHAT SHIRT IS YOUR COMPANY WEARING?

Antigua is a leading designer and marketer of men's, women's and children's apparel, serving the apparel needs of Golf, Licensed Sports, Corporate and Identity Specialty Retail markets for over 36 years.

A well deserved reputation for producing the finest knit shirts in the industry, Antigua has continued to respond to a changing marketplace by expanding its outerwear lines for men & women and by developing fashion collections twice per year. A strength of Antigua's business remains its "in-stock" basics program - core pieces, beautifully crafted and available to decorate and ship year-round. As the company grows, its commitment to exceptional product quality and unparalleled customer service remains its strength.

# YOUR ONE STOP SHOP FOR DECORATION

## EMBROIDERY

Our embroidery operation has delivered turnkey solutions to both corporate and golf course customers for over 25 years. With a wide variety of thread colours to match any logo, embroidery is always a classic choice for chest or sleeve locations. All embroidered items are folded and poly-bagged at no additional charge.

Look for our EMBROIDERY symbol throughout the catalogue denoting styles that will accept this treatment.

### Tone ON Tone

Logo will be one colour only and will be done in a shade that closely matches the garment colour.

### Tone OFF Tone

Logo can be one or two colours and will be done in a shade slightly lighter or darker than the product colour.

### Colour Coordinate

Logo can be up to eight colours and will be done in colours that complement both the logo and garment being decorated.

### Company Colours

Logo is done in customer specified colours only. Generally the case with corporate logos. Pantones are required in order to best match the company colours.

# NOW OFFERING HEAT TRANSFER METHODS!

Look for our HEAT TRANSFER symbol throughout the catalogue denoting styles that will accept this treatment. Our knowledgeable Customer Service staff will assist you in selecting the method that best suits your logo.

## HEAT TRANSFER - SOLUTIONS™

Solutions™ is an entire line of innovative heat transfer materials perfect for printing high quality, long lasting graphics. Solutions™ offer you the ability to create full-colour custom graphics, regardless of how many colours or gradients are involved. A variety of different formulas allow us to cater to a range of fabric offerings. There's a "Solution" for just about everything!

## SEAMLESS HEAT TRANSFER™

An innovative process providing a soft touch, full colour printed design, free of any borders or contours around intricate portions of designs. This process is ideal for small designs with intricate text, able to print up to 8 point font seamlessly. This process is printed using CMYK colour values, and offers an unlimited amount of colours and gradients in a single design.

## HEAT TRANSFER - CAD-CUT®

An entire line of innovative heat transfer materials created by computer assisted cutting - no printing required. Choose from our hundreds of colours and shades best suited for your design. 3M™ Scotchlite™ Reflective material is quickly becoming the most popular CAD-CUT® offering. It offers high visibility of your corporate identity, day or night. A variety of different formulas allow for a variety of fabric offerings.
